

# Invitation to apply for **SMALL BUSINESS ENTERPRISE CONCESSION CERTIFICATION**

The San Francisco International Airport (SFO) is committed to advancing opportunities for small businesses through the Small Business Element of its Airport Concession Disadvantaged Business Enterprise Program.

- Small Business Enterprise Concession (SBEC) certification is required for small businesses seeking to participate in Small Business Set-Aside Airport concession opportunities.
- Firms previously certified as **Airport Concession Disadvantaged Business Enterprise (ACDBE)** are encouraged to apply for **SFO-specific SBEC certification**.
- Due to federal regulation changes, ACDBE participation tracking is temporarily paused.
- SFO continues to monitor small business participation.
